As Governor, I will stop the cutbacks in education and health care. I will balance the budget by establishing a FAIR TAX structure, and ending government waste.

Over the last five years California needed \$270 billion from State revenue sources to maintain a balanced budget. California received \$305 billion, enough for a huge surplus. Instead we ended with a massive deficit caused by incompetence, waste and corruption.

Clinics, schools and programs for the handicapped, elderly, and children are being closed. These facilities were open six years ago when State revenues were only \$48 billion dollars. Today at \$63 billion in revenues we are shutting down services.

Our taxes are unfair. Corporations used to pay 14% of California's income, now they pay 7% and minimal property taxes. The poorest 20% in California pay 11.3% of their income in state and local taxes while the richest 5% pay only 7.6%. California is 20th and 33rd for tax rates and property taxes.

If the rich paid the same rate as the poor and we closed tax loopholes there would be no deficit.

I stand for: renewable energy, single payer universal health care, pro choice, saving our ancient forests, legal marriage and drivers licenses for all, a living wage, affordable housing, instant run off elections (IRV), the UN Charter, the World Court and our Bill of Rights.

I stand against: the death penalty, three strikes, racial profiling, the Patriot Act, wars of conquest, nuclear weapons and the racist Proposition 54. Vote Green!

STATEWIDE SPECIAL ELECTION
CANDIDATE STATEMENT FORM

Candidate's Name: MICHAEL CHELI

Candidate Statement (250 word limit):

As Governor, I will work hard to make a positive difference in people's lives. I support constitutional principles of life, liberty and property; and America's traditional moral values. As a non-partisan, I'll cross all party lines in order to procure the best solutions for the challenges facing California. My first task as Governor will be to reduce my own salary by 10%. I will hold town hall meetings to address the real concerns of California citizens. No new taxes or more government programs. We need to cut California's wasteful spending, upgrade our credit rating, and restore fiscal accountability. I'll work to improve California's schools, and will hold schools accountable for how they spend our tax dollars. Let's provide children instruction in the basics, as well as trade and technology courses. I'm for 100% of the California Lotto proceeds going to the schools, and bringing back arts, sports, and electives. I'll work to improve health care and protect Social Security and Medicare. I will work closely with police, sheriffs, and firefighters to protect local communities. Freedom is not free, and I'm proud to support our troops. I will support President Bush in the war on terrorism, while working to safeguard the Bill of Rights. I'll defend our environment while respecting the rights of the people to use and enjoy it. I think we ought to fuel the entrepreneurial spirit in California and promote small businesses, job growth and innovation. I'd be honored to serve California's citizens. I would appreciate your consideration.

STATEWIDE SPECIAL ELECTION
CANDIDATE STATEMENT FORM**

Candidate's Name: D. (Logan Darrow) Clements

Candidate Statement (250 word limit):

Atlas Shrugged, America's second most influential book, was written by an immigrant to California who predicted our current mess and offered an inspiring solution. Ayn Rand knew that big government ruins all it touches while freedom leads to incredible prosperity. I know, as did she, that the economy will roar to life if we liberate it from excessive taxation and abusive regulation. See the work of freedom in grocery stores filled with food, hospitals filled with lifesaving technology, and a computer industry filled with innovation. See the work of big government in power blackouts, failing schools and traffic jams. The more important the task the more reason it should be handled by resourceful companies motivated by profit, not bumbling politicians motivated by power. California needs a businessperson for Governor who clearly sees the path to prosperity and has the willpower to lead us out of this mess. I launched a national business magazine called *American Venture* which I later sold to develop a revolutionary TV show called FreeNation. I have a master's degree in business and a bachelor's degree in economics. I'm a long-shot candidate but like the horse Seabiscuit sometimes the long-shot can win. Watch me in action at www.FreeNation.TV. You can vote for a "big" candidate for small change or a "small" candidate for big change. Vote for big change, vote for better ideas over fame and money, vote Clements for Governor.

The undersigned author of the above candidate statement hereby declares under penalty of perjury under the laws of the State of California that such statement is true and correct.
